Citizens' Executive Committee Arranges for Entertainment of Great Crowd Expected.

Definite plans for the entertainment of the 40,000 or 50,000 people who are expected to visit Washington to witness the unveiling of the Washington Monument are being discussed at a meeting yesterday afternoon of the citizens' executive committee of the general committee representing the Chamber of Commerce, Board of Trade, and Knights of Columbus.

It was decided at the meeting that the women visitors should be held at the Pan-American Union building Friday night preceding the unveiling, instead of Saturday night, as was originally planned. Committee Chairman C. H. B. Smith and E. P. Harrington, State deputy of the Knights of Columbus, were appointed as a subcommittee to arrange the details of the reception.

The committee was of the opinion that Pennsylvania Avenue should be roped off during the parade, and accordingly a request will be sent to Col. Cosby asking that this be done.

G. J. Hunt, chairman of the parade committee, reported his committee was of the opinion that the parade should be held on the evening of the unveiling, instead of the morning of the unveiling, as was originally planned. The committee was of the opinion that the parade should be held on the evening of the unveiling, instead of the morning of the unveiling, as was originally planned.

NEW CHURCH SECT TO CONVENE HERE

Believers in Swedenborg's Writings Coming from All Sections of Country.

The ninety-second annual convention of the Church of the New Jerusalem will take place in Washington, beginning on Saturday, May 11. Representatives will be present from nearly every section of the country.

The various delegates are appointed by the State associations. Ordained ministers are ex officio voting members of the convention. About 100 of these in attendance at the convention will be entitled to the voting privilege.

Previous to the convention, the meetings of the council of ministers will be held in Baltimore, beginning on May 7. On Thursday and Friday the American New Church Sunday School Association will hold its sessions in the Washington church, Sixteenth and Curran Streets. The American New Church League of Young People's Societies will hold its annual conference in the same place, beginning Friday evening.

At noon of Saturday the general convention will convene in the same church. The beautiful white stone edifice in Sixteenth Street, where the meetings will be held, is the property of the general convention, having been built with funds collected from all parts of the country.

The Church of the New Jerusalem is better known by the general public as the "Swedenborgian" Church, because of the use of the theologian's writings of Emanuel Swedenborg, the famous Swedish seer and theologian, as the basis of interpretation of the Bible.

While the "New Church" people accept the Bible as the divine Word of God, yet they believe it contains a continuous spiritual sense between the lines which treats of the spiritual development of human character.
